

FOUNDRY LEAD

The Role

DP Jones & Co Memorials is seeking an experienced skilled or semi-skilled **FOUNDRY LEAD** to work closely with our Foundry Manager and Operations Director.

- Offered as a Full-time position with a 3-month probationary period.
- A diverse role, tailored to the individual and working primarily in our Metal division and secondary exposure to our Stone division.
- Based at our Kyabram manufacturing location with potential for occasional off-site job activity.
- Able to work hours from 7.30 am onwards.
- All uniform, safety equipment and tools supplied
- You will be encouraged and supported to continue with your trade and skills development.
- **Role starting grade is C11** per the Manufacturing and Associated Industries and Occupations Award 2020. Ideally looking for C6/C5 level starters. Grading will be adjusted for candidates with higher experience / skill levels.
- Offering an above award base rate **plus Super + Overtime**. Scope to vary the role activities for the right candidate. Show us your skills!

Join a growing, busy, family-business work environment. Develop your skills in this diverse role.

Responsibilities (but not limited to):

- PRIMARY Working closely with our Foundry Manager, assist and eventually lead key activities in the assembly and production of cast bronze plaques.
 - **Participate in all aspects of a Bronze & Aluminium Foundry cast plaque manufacturing** process as you gain experience.
 - Pattern creation
 - **Sand moulding and pre-melt preparation**
 - Metal casting
 - Metal cutting, polishing, sandblasting, painting, etc
 - Accuracy, attention to detail and the ability to read plans / drawings / layouts is important.
- Materials handling and general production duties
- A strong work ethic attention to detail, and pride in your workmanship.
- Promote and maintain a strong safety culture, ensuring compliance with all OHS requirements

We're looking for a future production leader

Prior experience / Skills (favourable but not essential):

- Cert 2+ qualifications in Fabrication / Concreting / Stonemasonry or relevant experience highly regarded
- Experience in complimentary industries – Fabrication, Welding, Concreting, Tiling, Landscaping
- Ability to set and meet production timeline targets
- Display a work ethic suited to a heavy industry
- Experience in the safe use of power tools & hand tools.
- Experience with industrial machine operation advantageous (table saws, sanding belts, Linishers, milling machines, sandblasting, spray booth)
- Drivers licence, forklift licence and construction induction card advantageous

On the job guidance will be provided to the candidate with suitable base skills.

Company background:

- DP Jones & Co (DPJ) is a family-owned manufacturing business with over 50 years' experience in the Australian Monumental industry. See www.dpjones.com.au for more.
- From our headquarters in **Kyabram, Victoria**, we take pride in providing personal service, craftsmanship in every job, great value and full after-sales service for clients large and small across Australia.
- We operate two divisions - Stone and Metal - and offer end to end capacity to manufacture, source and install all memorial needs.
- Our Metal division manufactures cast bronze & aluminium plaques, accessories and provides full installation and reconditioning services. We combine traditional foundry practices with modern techniques.
- Our Stone division creates traditional granite and marble monuments, memorial letter-cutting and memorial refurbishment services.
